SUMMARY

Growth-minded builder with proven demand generation and retention results. Built a 3,140-subscriber pipeline from zero through grassroots outreach, and maintained 94% occupancy for 19 months through community-driven retention. I specialize in turning early-stage products into sustainable growth engines using experimentation, user research, and engagement loops.

For Hipcamp: I turn early-stage products into growth engines — 3,140-subscriber pipeline from zero and 94% retention sustained for 19 months.
