SUMMARY

Product-minded operator with direct experience launching and scaling physical space products from zero. Built pricing models, ran A/B experiments, and grew revenue 48% while maintaining 94% occupancy. I specialize in 0-1 product launches in physical spaces - coworking, coliving, and shared environments. My background spans product strategy, revenue optimization, cross-functional leadership, and operational scaling.

For Industrious: I bring direct experience launching and scaling physical space products from zero to full occupancy, with proven A/B pricing that drove 48% revenue growth.
