SUMMARY

Community programmer and event designer with a portfolio of 48+ recurring events, 4 mastermind programs, and 6 work-trade initiatives built from scratch. I design programming that makes people choose one space over another. My background in coliving and coworking gives me deep understanding of how events drive member acquisition, retention, and community identity.

For Capital Factory: I design programming that makes people choose one space over another — 48+ events, masterminds, and work-trade programs built from scratch.
