SUMMARY

Experience designer who builds complete customer journeys from scratch. Designed the entire resident experience at a coliving property - onboarding, engagement, and retention - achieving 94% occupancy for 19 months. I obsess over experience, test constantly, and measure success by whether people come back.

For Hipcamp: I obsess over experience and measure success by whether people come back — 94% retention for 19 months through end-to-end experience design.

Founder, Product & Operations

Revillage Coliving
